Mr. Jonathan Olson, Southern Regional Manager
PJ Keating Company
875 Phenix Avenue
Cranston, RI 02921

Dear Mr. Olson,

On behalf of our board of directors, staff, and volunteers, I would like to extend our utmost gratitude to the PJ Keating Company for donating road material on the entrance to our therapeutic riding facility. I can't tell you what an amazing difference it has made to our riding center! It used to be a mud path. Students, visitors and staff can now park their vehicles and walk safely to the school thanks to you! Mike Trant has been more than accommodating with assisting me on the project details and getting the material ready for pickup.

Angels on Horseback provides an effective therapy program for disabled children and adults. Our website explains in detail that program. Our goal is to improve the lives of these children and adults with animal assisted therapy in conjunction with their medical treatments. A dedicated team of volunteers consists of twelve board members, side walkers, horse leaders, trainers and an instructor. In addition to handicapped services, we opened our barn doors to teen services, school community service duties, stable management classes, equine first aid courses and much more.

We are currently planning a benefit country and blues music festival on June 10th, which PJ Keating plays a major role in as one of our supporting sponsors. Our continuous Live entertainment includes world class performers such as, Sarah Borges, Garr Lange, Danny Klein and Friends-of J. Geils Band, Bruce Marshall of Marshall Tucker's Toy Caldwell Band, 13 year old Child Prodigy Daniel Banks (Dave Letterman) plus many more. Additionally, we are hosting an authentic southern barbecue by Jake's Dixie Roadhouse from Boston. Various craft and food vendors from throughout New England, entertainment for the children (clowns, costume entertainers, face paintings, horseshoe painting, etc.) plus great raffles will all be part of the event.

To show our appreciation, a full color 3 x 4 banner of the PJ Keating Company along with your name and Jim Reger will be displayed in front of the primary stage as well as on our festival website. This website will receive coverage via our media sponsor, WJAR-10 (NBC). PJ Keating will also get alternating on-air mentions on WCTK (Cat Country) along with other sponsors. Announcements about the festival and our website will also be aired on WHY (Providence), WBOS (Boston), WZLX (Boston) and WCCC (Hartford). Printed ads, community calendar websites and posters/flyers distributed throughout portions of the tri-state region promoting this event are part of this package. Your company name will also be listed on our program festival guide. Again, I would like to thank you, Mr. Reger and Mike Trant for creating a warm welcome entry into our facility. To see some of our accomplishments with the disabled, please view our video located at www.angelsonhorsebackri.com.

With best regards,
