Dear P. J. Keating Co.,

On behalf of the Bennett School Beautification Committee I would like to thank you for your generous donation. Your financial commitment helping the beautification effort and our community is sincerely appreciated.

The goal of the beautification effort is to revitalize the school grounds at the Bennett School in Leominster. This will make a difference not only for the children attending the school but in our community as well. With the help of donations from supporters such as you, we will continue to strive towards our goal and make this project a reality.

Thank you again for your generous donation and support.

Respectfully Yours,

Kathryn H. Sargent
