Making a Difference*

Dear Beth,

On behalf of Community Teamwork, Inc., I would like to thank P.J. Keating for its generous gift of \$500 this holiday season. We have applied this donation to our Warm Hands, Warm Hearts fuel assistance fund that helps our most vulnerable citizens, especially low income families, the elderly and the disabled. Your gift helps us ensure every individual and family in our community stays safe and warm throughout this long, cold winter.

Thank you for your commitment and generosity to people in need. Together we are keeping our neighbors warm.

Best wishes for a happy new year.

Sincerely,

Karen N. Frederick
